LEZBO LEANINGS

Okay, the first thing I wanna say is that I'm totally not a lezbo! I mean, before last week I never even thought about doing it with a girl. Honest, I only think about guys and what it would feel like to have a dick shoved up my pussy. You know, the regular stuff.

But on Saturday night I was at this bar (I stole my sister's ID, ha!) and there was this girl, Shannon, who started coming on to me.

I didn't even know it at first. Like, we were all dancing and she was so close I could feel her boobs, but it felt natural, you know? And kinda hot, too, even though it freaked me out. But then – get this – all the sudden she kissed me right in front of everybody! It was weird, though, I wasn't even embarrassed. Instead I felt way horny and, well, totally ready to do it with her.

Wicked, huh?! But anyway, that's why we ended up at her place making out like crazy on her bed, and pretty soon she had her fingers up my pussy and she was smearing my own girl juice all over my clit. God, it was all gooey and sexy and nasty at once! So, what the fuck, I started doing the same to her. And it was awesome, since her pussy was smooth and wet just like mine, I totally knew how to diddle her; I just went round and round her swollen clit. And guess what? I made her cum! I mean, she was screaming and her pussy was gushing like crazy. I was so proud of myself!

I thought maybe the sex would be over then, but instead – no shit – she strapped on this big dildo. I didn't even know lezzies did that! But wow, did it feel awesome when she started pushing it in, except I was so tight it barely fit!

I couldn't help it, I had to touch my clitty, even though my fingers were still all wet from her cum. Kind of yucky, huh? But it felt so good, especially once she had that big thing wedged up me. And it felt even better when she started fucking me with it. It was just like doing it with a guy (I think) except it was a chick slamming into me with a big fat dildo! But it didn't matter, my pussy got all quivery and I came so hard I couldn't believe it, plus Shannon got excited, too. Like, she was screaming and fucking me even harder; man, she was totally into it.

So now I guess that even though I did it with a girl, I really *do* know how it feels to have a dick up my pussy. And you know what? I like it! So, even though I might do more

sex stuff with Shannon, I can't wait to get my cherry busted by a real dick. See, I told you I wasn't a dyke!

PUSSY LICKING PRO

Ever since I turned 18 last summer – whoohol – I started doing all kinds of sex things with my boyfriend. Like I learned how to blow him and I even let him pop my cherry in the backseat of his car.

But then – wahl – he broke up with me. Just like that. One minute we were cool and the next he said he was too “young” to be tied down.

Shithead! I was royally pissed. I mean, who was he to ditch me like that?! But I got over it real quick because then I met Andrew, who’s not “young,” he’s 37! And the best thing is, he’s way smart when it comes to sex. Like, my punk-ass ex would just kiss me a couple of times, stick it in, hump for awhile and then it’d be over. It made me wonder what the big deal was about sex, you know? But man, Andrew sure showed me how good it can be. I mean, we haven’t even fucked yet, but since he totally gets off on eating my pussy, he’s already made me cum a bunch of times.

And, holy shit, he is good at it. Like, last night we were at his apartment and I so wanted him to go down on me. But he was sneaky, at first he wouldn’t even do it for real; he just lifted up my skirt and started lapping on my clit through my panties. Man, I was going nuts: my pussy was drooling so bad that my cotton under-pants were just one big, sopping mess. And I was totally jonesing for his hot tongue on my clit. But no, he just kept licking on my panties and nibbling on my clit from the outside. I was so horny for him that I was talking all dirty and begging him to suck on my clit, but he just kept slobbering all over my underwear.

So, of course I was way happy when he finally pulled them to the side and started licking on my pussy lips, but even then he still tortured me. Damn, it took forever before he started in on my clit. But by then his tongue felt so good on my poor, swollen pussy that I almost came right there! Especially when he stuck two fingers up my wet snatch and started fucking me with them while he was slurping on my clit.

Pretty soon he was sucking my fat clitty in and out of his mouth and I couldn’t stand it anymore. I pretty much exploded all over his face. My pussy started gushing and my clit was spazzing out, plus I was squealing like mad. I mean, it was like the biggest orgasm ever. And I just kept shaking and cumming and screaming until finally he’d licked me so much I could barely move!

So, duh, no more young guys for me. I’m gonna stay with my “old” guy just as long as he’s willing to stay with me!

Suzie

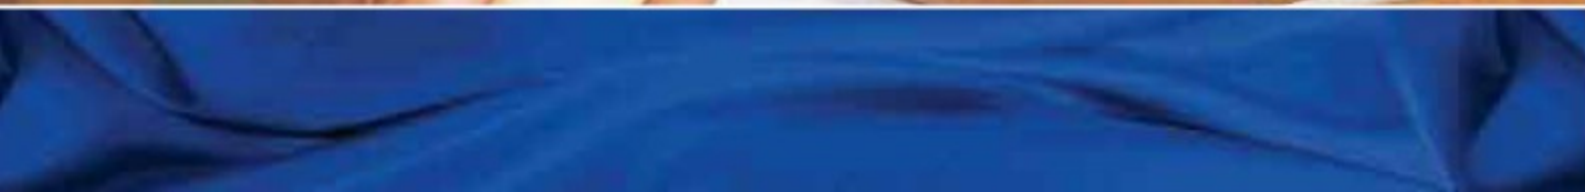

This girl's explored every inch of her body, but her backdoor's her favorite play place!

Did you ever just know for a fact that you were going to be good at something? Like you were you going to ace an algebra test or something? Well, I know for sure that I'm going to be awesome at anal sex! See, I've already done regular sex with this guy from school and we're kind of like boyfriend and girlfriend (but not really 'cause I totally don't want to be tied down.) But I've been practicing, and I can already stick a dildo all the way up my butt and diddle on my clit at the same time, which makes me cum in, like, five seconds. So I know I'm ready and I can hardly wait to feel his cock wedged up my asshole!

With all the practice she's been doing, I'm pretty sure Suzie will ace Buttfucking 101!

Polly

Polly has
already learned
that the
fastest way to
a girl's clit
is through
her tits!

Don't you think my boobs are sweet? All the guys at school think so, but the girls are so jealous. Hey, it's not my fault they only have bite size boobies! Mine are a mouthful (ha ha!) and they look awesome in a tight top. The guys at school can't keep their eyes off my chest 'cause I love to wear tiny tank tops and tight sweaters. Plus my boobs are good for something else, too. See, when I play with my nipples — like if I squeeze 'em and rub 'em and stuff — my pussy gets all tingly and sticky and it feels so yummy. So now I'm always playing with both my boobs and my pussy, I can't help it!

Well, no duh!
Who wouldn't
want to play with
those nice big
tits and that
juicy pussy!

No More Small Steps

I could blame it on boredom, I guess. I don't usually do this when I'm babysitting but, while I was lounging around waiting for the Carlsons to get home, I got to snooping through their video collection, trying to find a decent movie to watch. It was way late, their kid had been zonked out upstairs for hours, and they don't have cable. So, why not?

*I'm so
Tight &
Ready!*

Well, I sure found one tape that gave me an eyeful!

Mr. and Mrs. Carlson liked to do it for the camera. I blush even now, remembering how, um, vigorous they'd been. And how amazing Mr. Carlson's peener looked all pulsing and hard like it was. Slicked up by Mrs. Carlson's tongue too. I watched the whole thing. Twice. It made my virgin pussy throb like crazy. I wanted to do everything they did. Real bad.

I decided I absolutely had to let my sometime-boyfriend finally have my cherry. He'd been complaining about being "denied" for weeks. Even if he wasn't all that good a guy, I just didn't think—after seeing this tape—I could keep holding out for someone better. I'm not what you would consider "hot". My breasts are small and I'm kind of underdeveloped so most guys don't go for me. I should probably just take what I could get, right?

But when the Carlsons stumbled in the door in the wee hours, all I could see in my mind was Mr. Carlson's peener drilling into Mrs. Carlson like a jackhammer. I couldn't get that thrillingly obscene image out of my head.

"I'm already gone," Mrs. Carlson said as she slipped off her fancy shoes and started up the stairs. "You pay her, dear. I'm off for bed."

I never would've believed her the type to scream and contort herself the way she had on that video. But I bet, with a meaty thing like Mr. C's stuck in you, any female would act that way.

Mr. C was pouring himself a scotch at a little sideboard bar in the living room. My eyes kept straying to his crotch, wondering how he fit that thing so neatly into pretty pressed trousers. He pulled a wallet out of his suitcoat pocket while swirling amber liquid in a glass, ice cubes clinking.

My panties were really sticky already from all my video viewing. I even got a whiff of myself, musky down below. Probably had a damp patch showing through my jeans too. Imagining what Mr. C had in his trousers was making me just wetter and wetter. He's, like, so much older than me—at least 10 or even 20 years—but after seeing him use that boner on his wife, I thought he was a total hottie now.

"Jill,"

I looked up. He'd caught me staring.

"Is there something you want?"

His voice was low and kinda sexy. I couldn't tell him what I wanted—no way! I shook my head and tried not to look down there again.

He came close enough to hand me the cash for my sitting services but right when I reached to take it, he moved his hand down. He held the bills right in front of his trousers. Right there.

"You haven't taken your eyes off my cock since we stepped in the door, Jill. Did you want some cock before you go?"

Had he honestly asked me that? To my face? I gulped and tried to shake my head no again, but I couldn't do it. I did want his cock—even if just to see it in the flesh. But I couldn't admit it! His wife was just upstairs, probably waiting for him to nail her just like in the video.

"Take it out, Jill." His hand still clutched the bills but it was caressing up and down his fly. I could sure see a trace of his thing now, swelling up inside there.

I braved it. I put the palm of my hand over him, at the base, and he dropped the money to the floor and pressed my hand harder against the swelling. It was growing into something long and bulky and really hard. Mr. C took a healthy swallow of his scotch and set the glass on a coffee table right by us.

"Take it out," he repeated. The way he sort of demanded it, I began to feel like obeying. I jerked at his belt and unzipped him. We both shoved him out of his clothes and there it was, sticking out in all its hard, naked glory. Stiff enough to drill holes in granite, probably. The video did not do him justice.

Mr. C tapped it against the crotch seam of my jeans. Where I was most definitely wet. I swear I was leaking a lake.

"Get down on your knees and take it in your mouth."

Jeez, he was some taskmaster! But I was jonesin' to try it out so I knelt down and started to lick it. Like an ice cream cone. From the thick root up to the soft head, over and over, as if I were cleaning it of drips.

There was a big hitch in Mr. C's breathing when I finally inched the whole head into my mouth and sucked on him like a tootsie pop. It was hella awesome to do it. I could be his All Day Sucker, his peener was so tempting. I wanted to see it shoot onto me like he'd done with Mrs. C. He'd rubbed her face all over with his thick milk.

He grabbed one of my long braids in each of his hands and began to basically fuck my mouth. He'd done that to his wife too, so I decided to copy what she had done; I cupped that pouch of his balls in one hand and squeezed just the tiniest bit.

"Ahhhh," Mr. C pulled me away ever so gently. "Turn over."

But he didn't wait for me to do it. He turned me himself and pushed me onto the thick pile carpet, onto my hands and knees, and fiddled with my jeans until he'd wrenched them down and off.

I smelled all my dense muskiness even stronger now. I couldn't believe it, but I was so ready for this!

My hair dangled to the floor, my tight half-tee shirt was twisted up around my bitty scrap of a bra, and my ass was bare. He stood behind me looking me over. I was about to tell him I'd never done this before, to admit I was really a virgin. But then I thought he might stop. And I didn't want my so-called boyfriend to have my cherry. I wanted Mr. C to show me what it was all about because he really knew how to do it, really do it. So I'd be insane to want him to stop now! I kept my mouth shut and wondered if the extreme soggy state of my pussy could be seen from where he was standing.

I found out quick that it could. He ran a single finger down my crack and over the untried lips of my pussy, circling around and pushing in just a little. I was practically pouring cupfuls of my stickiness into his hand.

"Are you legal?" he asked.

"What?" I began to push back onto his finger, wanting him to poke it all the way in there, pretty-please.

"Are you 18 yet?" He was lathering up my asshole with my own juices, digging into that entrance a little too.

I burst out with, "Yeah, last month." Just before he stuck that finger deep into my ass. I gasped.

Then he abandoned both my ass and my pussy and I heard the clink of those ice cubes in his scotch glass again. Was he just standing back there, sipping away, and watching my bottom? I wiggled my hips and looked back over my shoulder. He was scooping one of the slippery cubes into his fingers.

"I'm gonna do a little licking of you now, okay?"

I wiggled my bottom again, smiling. We were really going to do this! I didn't think about his wife upstairs anymore—she had him all the time. I'm sorry, Mrs. C, but maybe you could let me have him just this once? And he could do me the way he did her. With vigor! I wiggled my bottom once more, so very ready.

He knelt down behind me.

A drip of cold was my only warning. He traced that ice cube down the crack of my ass and I shivered something fierce. He held it over the tight pucker of my back door hole while, with his other hand, he toyed with my clit.

"You'll like this, Jill. I promise." And he poked that cube right into my hole. I jumped a little in surprise. "Easy now ..."

His tongue was soon there, lapping up my hole thoroughly, while his fingers started to fuck my pussy.

"So sweet and new ..."

The shock of cold wasn't so bad now 'cause he was warming me up. I could feel the cube melting inside there, the water trickling out my hole onto his busy tongue. He plugged both of my holes with his tongue and his fingers at the same time and I hummed with pleasure. He wasn't kidding, I'd like this!

He licked and bit my ass cheeks, rubbed my clit. I leaned back into him, trying to keep from moaning so his wife wouldn't come down and interrupt us. When the ice stopped dripping—all melted out now and slurped up—he tucked his hips behind me, his cock cradled in my crack.

"Which one first, Jill?"

He was asking like I'd done this before, like I knew what I wanted. I just wanted him inside.

"Please." I pushed back against him once more. "Just put it in."

He drew the tip of his cock down along my crack. "Let's lube up first then."

Holding my hips steady, he prodded my pussy. "You really are deliciously tight, Jill." So tight that the further he progressed, the more I squirmed. His bulk was widening me to the breaking point. "It's okay. I'll go slower."

He had to know now that I was a virgin. I wasn't able to help emitting a few squeals because I was being opened so wide. But he slipped into me more slowly now and it felt gooooooood!

When he got past my cherry and all the way in, he stayed put for a few seconds, just flexing his hips so that somewhere deep inside I felt myself relax. "Let's try that again, shall we?"

I smiled at the way he'd said that, all casual-like and polite. Though I knew he didn't really want to be polite—not if that video was any example of what he liked.

He drew out and propelled back in, faster. Man, it was so great, what he was doing! Now that my cherry was gone, he could really fuck me and I began to match his thrusting rhythm, even egging him to go deeper.

But on one stroke he pulled out entirely. I trembled with anticipation, waiting for him to continue. I looked back over my shoulder.

He was grinning. His cock lay along the crack of my ass again. Shiny and thickly swollen. And his fingers were spreading my excessive pussy juice all over my crack, up and down.

"You've got a lovely little ass back here I've got to try, Jill. You ready for another plunge?"

I nodded as his cock prodded at the super tight pucker of my ass, slicked up now. Both my holes quivered. He nudged in, expanding my ass bit by bit. His cock had to be way too big for that thing but he was cramming it in anyway and my ass was letting him. Gaping open like an empty mouth waiting to be fed, I'd never felt so raw or so needy.

He slid out, soaked himself in my pussy again and pushed back in the back door. I groaned at the strangely blissful intrusion. My hips were being punished in his grip while he buried himself completely this time, his balls tickling the entrance to my empty pussy. It was like nothing I could have ever imagined. The missus was some lucky woman!

"Eenie ..." he was saying when I realized he'd plumbed my pussy again then moved back to my asshole. "Meenie ..."

It made me totally crazed, his back and forth.

"Miney ..."

One hole, the other. Back and forth, again and again. Somewhere in there was "Mo" but I didn't hear it. I just let him plug me full any way he wanted.

My legs started to shake, I was so turned on. I reached down and flicked my way-too-excited clit and that sent me right over the edge, cumming in hot spasms as he fucked each hole faster and harder and deeper. I had to rest my head down on the thick carpet, my ass still in the air, still in his grip. It felt like I was oozing waves of hot honey out of every orifice, he worked me so thoroughly.

"Exquisitely tight ... oh, yes ..."

Mr C muttered as he transferred his hands to my shoulders and concentrated solely on my asshole now.

Then he started his hammering, the way he'd done Mrs. C. I would have never dreamed up anything like what it felt like for real—it was so intense. Every part of me felt ultra sensitive and trembly with excitement. He surged in and out with such fierceness, his balls slapping my pussy. My clit seemed to vibrate in unison.

He dug deeper. I knew I'd never be the same again. Nothing, after this, would ever feel this way, this

intense. He drove in one final time and stayed, shuddering as he spent himself in my tender ass in violent waves, his hands locked over my shoulders.

I thought of a next time, but I shouldn't have—he had a wife, I shouldn't want there to be a next time. Even though I did want it.

But then he said the most perfect thing as he curled himself over me and hugged me back against his chest.

"Are you free to sit next weekend, Jill? I'm sure my wife would like to get better acquainted with you too."

I began to wonder if they might have an opening for an au pair in the near future. A live-in au pair, of course. With all sorts of benefits! 18

This one's a
looker, isn't
she? Pretty smile,
pretty boobies,
and a wide open
pussy, too!

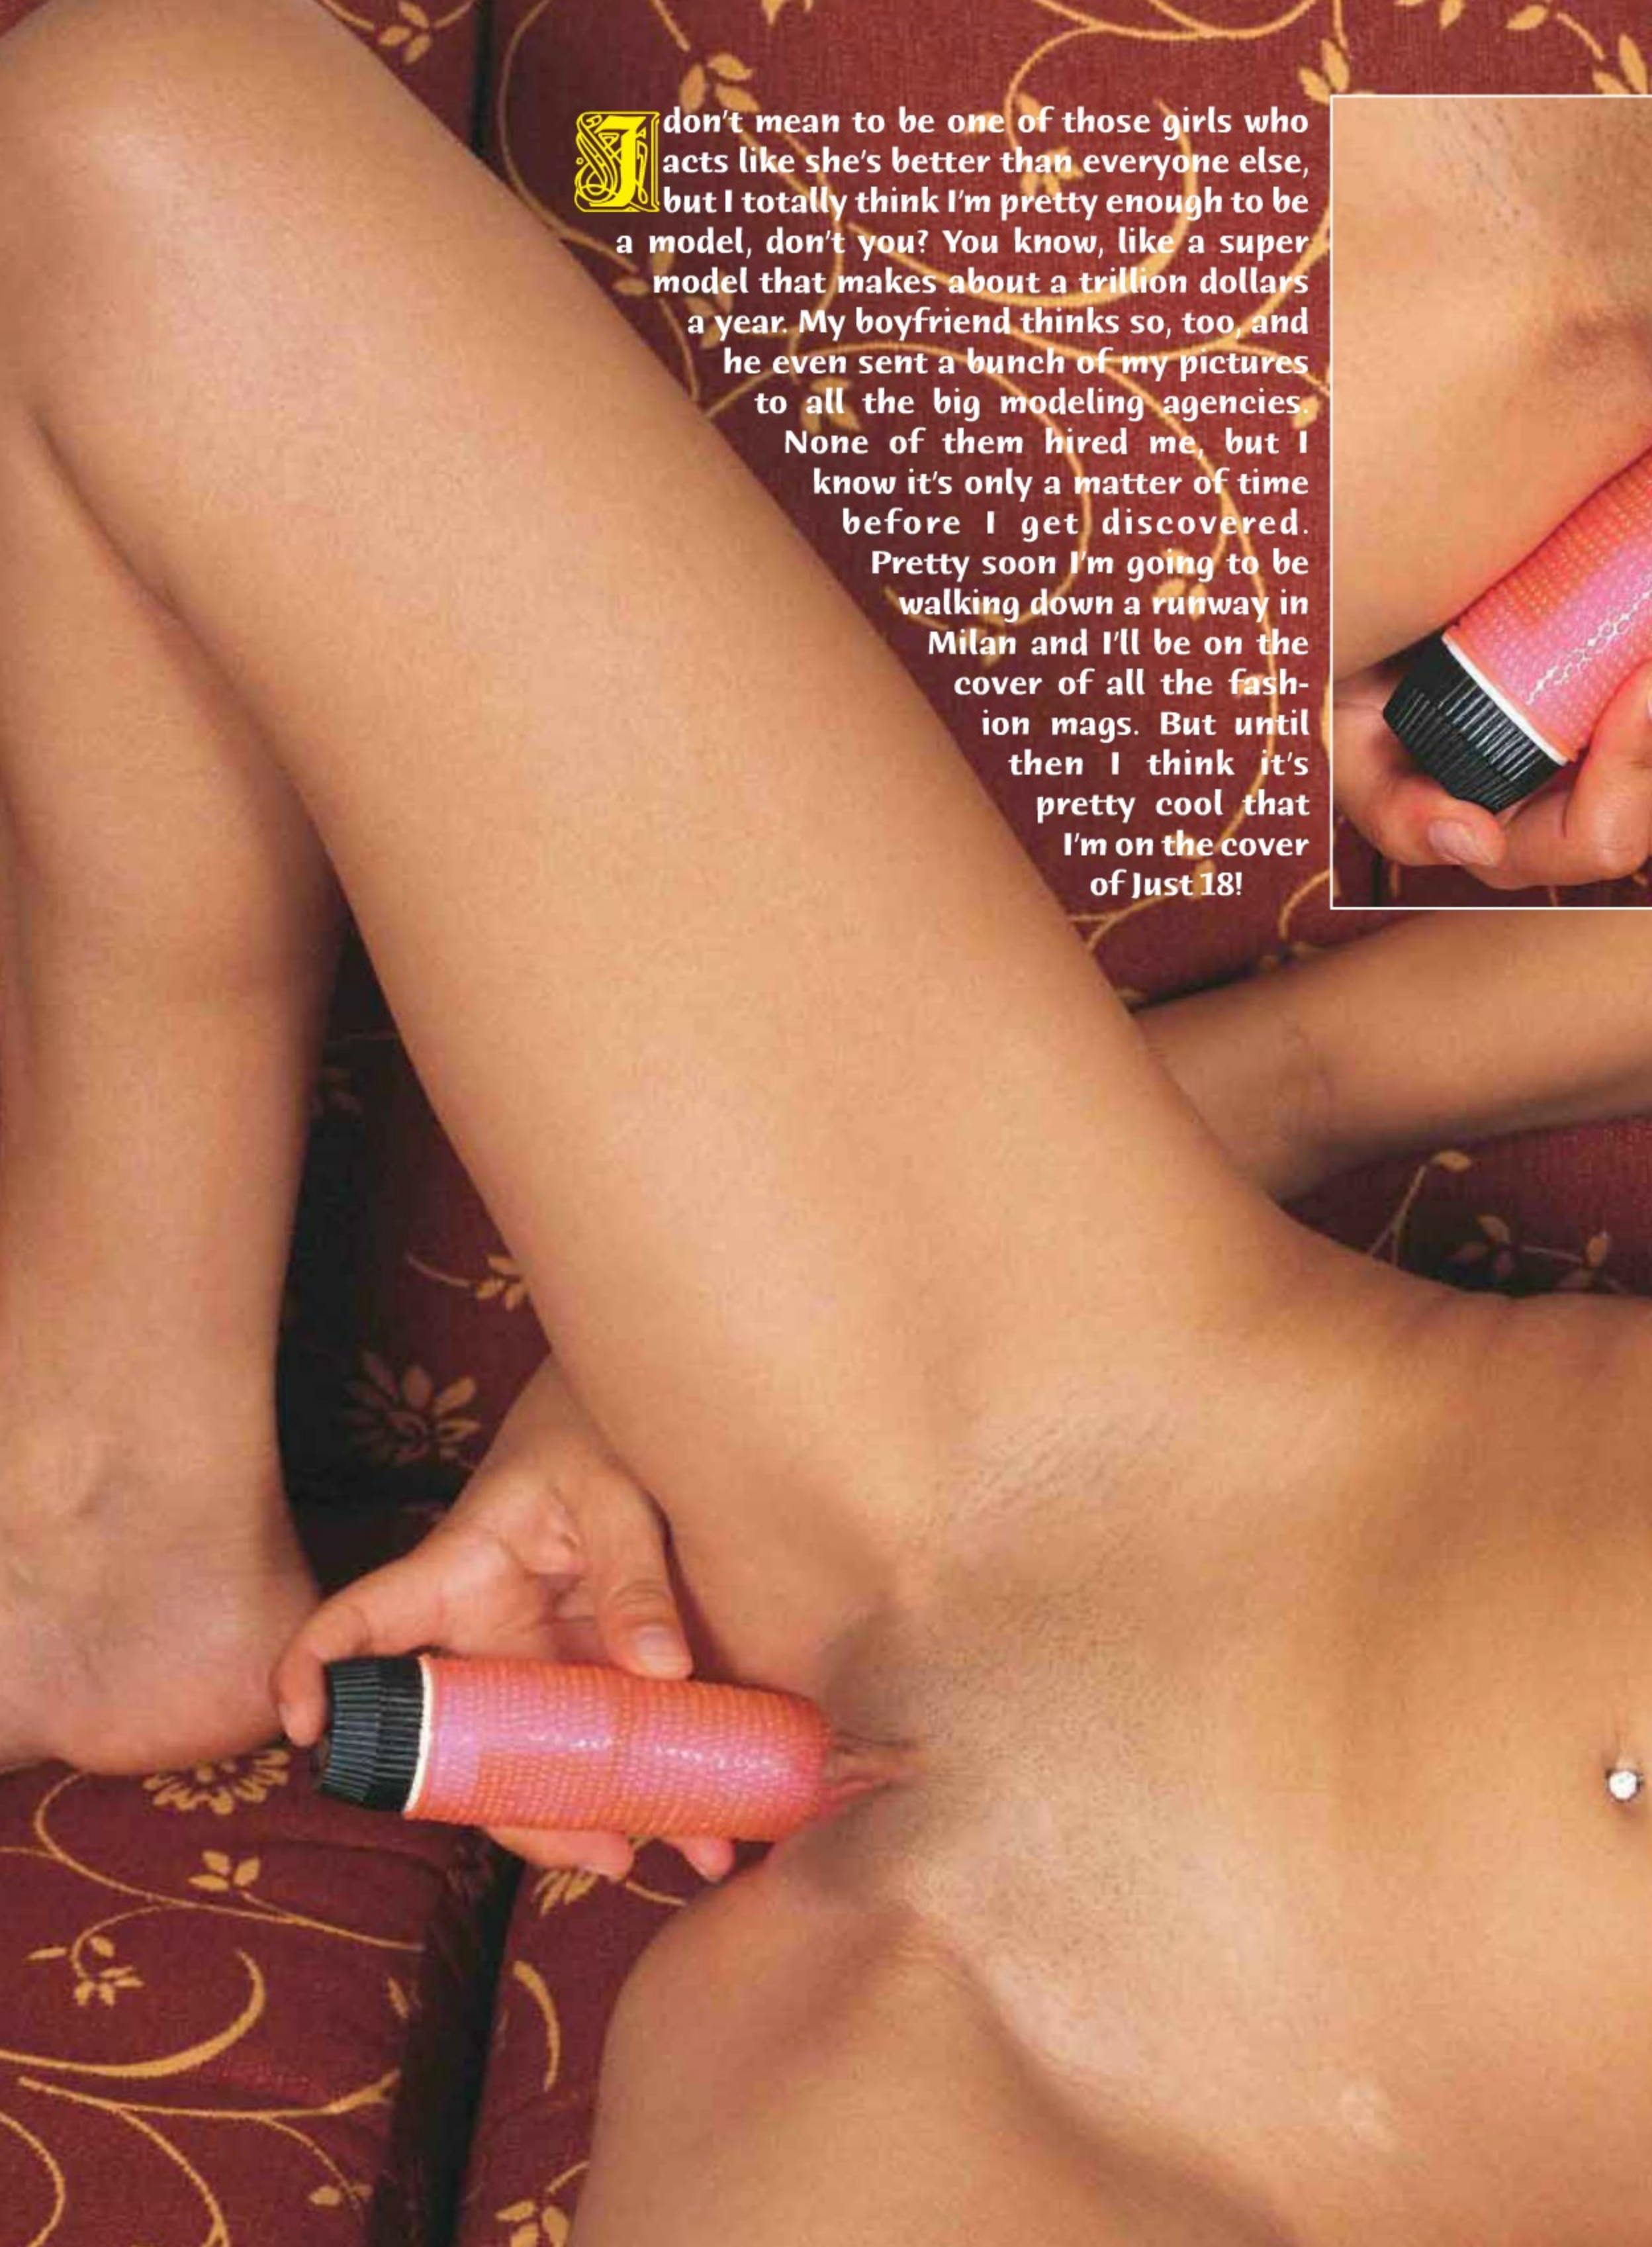

I don't mean to be one of those girls who acts like she's better than everyone else, but I totally think I'm pretty enough to be a model, don't you? You know, like a super model that makes about a trillion dollars a year. My boyfriend thinks so, too, and he even sent a bunch of my pictures to all the big modeling agencies. None of them hired me, but I know it's only a matter of time before I get discovered. Pretty soon I'm going to be walking down a runway in Milan and I'll be on the cover of all the fashion mags. But until then I think it's pretty cool that I'm on the cover of Just 18!

She can
be our cover
girl any time,
even if she does
make the big
leagues!

LOLA

My mama told me a long time ago that only dirty girls play with themselves and I totally believed her. I mean, I was so good that I wouldn't even let Tommy (my boyfriend) get to second base. And I sure never did nothin' like touch myself. Ick! But then this one day, I went to borrow something from mama's bedroom and I found a bunch of sex stuff in her drawer. Like fake penises, even! I was so grossed out – and hoppin' mad, too, 'cause if my mama was a dirty girl, why couldn't I have some fun, too? So I thieved some of her toys and, holy moley, did it feel good! And now, even if I'm a dirty girl, gosh, I feel good!

It took this little darlin' a while to learn how to have some good, dirty fun!

Well,
I guess the old
saying is true: "If
Mama ain't happy,
ain't nobody
happy!"

This long-legged cutie looks wholesome, but don't be fooled; she's just discovered her inner slut!

Rene'

Guess what? I just did it! For real! See, there's this busboy, Raul, at the country club where I work, and he's always flirting with me. Especially yesterday, when I was all pissed off at my boyfriend because he stood me up the night before. So when Raul winked at me and asked me out for a drink, I said yes. When we got in his car we started making out right away and, well, one thing led to another. First he was sucking on my tits and then he had a couple of fingers up my pussy and then about one second later my panties were off and he was doing me in the back seat! Yay, I'm not a virgin anymore!

Wow,
that's a pretty
good way to
get back at
your boyfriend!
That'll teach
him!

I WAS TIGHT YESTERDAY #4

STARRING:
JASMINE TAME,
CHARLOTTE
STOKELY, KAYLA
MARIE, KATIE RAY,
NAOMI
DIRECTED BY:
STONEY CURTIS

AVAILABLE FROM: LETHAL HARDWARE
RUNNING TIME: 157 MINUTES

Here's a deeply penetrating theme we can all relate to: black guys with monster cocks fucking the living shit out of cute, petite white women; hey, don't tell me it isn't every suburban college coed's secret wet dream!

"I Was Tight Yesterday #4" (a great title) explores the magical, miraculous, panty peeling effect king size black cock has on salacious slatterns like Charlotte Stokely, Katie Rae and Jasmine Tame. When these overheated cocksuckers are paired off with some of the biggest, baddest and blackest names in the business, like the venerable Mr. Marcus, and single-named ebony cocksman Boz and Bishop, sparks and sperm are sure to fly!

These guys aren't just big — they give new meaning to the term humongous, and you can feel the heat and practically taste dripping wet pussy once the girls get a gander at the guys and their massive equipment.

Up first is nubile 19-year-old freckle faced Charlotte, a sultry young cutie full of youthful enthusiasm for getting fucked by giant black dick. She slithers down a staircase, her tasty tits poured into a mesh top, her lips sucking on

a strawberry shaped lollipop like the badass little bimette she soon proves to be. This Philly may be young, but Charlotte is hardly fazed by Boz and his enormous erection, first sitting on his face to give him a good taste of her fragrant pussy and luscious asshole. Then she attempts no-hands BJ on Boz's giant tool. She can barely get it into her throat, but certainly not for lack of trying, hammer heading Boz's stiff schlong, then working her pussy with her fingers while Boz fucks her mouth. Boz then bangs her up, down and sideways, and finally drops a big load in her mouth. And guess what fellas? she gorges! Now that's love!

The other girls go equally gaga for dark meat. Katie Ray loves gigantic black dick deep up her tight asshole. Twenty one year old Naomi loves having her shaved pussy banged by Bishop. Kayla Marie also can't wait for "big black dick in her little pussy" and Boz fills her to the brim; she is also a diabolically avid cocksucker who wants to taste cum on her studded tongue. Lastly, Jasmine Tame, who is anything but, opens wide to accommodate Mr. Marcus, who ends up stretching all three of her hot horny holes to maximum capacity. —Jewel

BUBBLE GUM VIRGINS

STARRING:
ESMERALDA,
LIZ HONEY,
LOLITA,
SUSANA,
SANDRA,
YASMINE GOLD
DIRECTED BY:
NONE CREDITED
AVAILABLE

FROM: LEGAL PINK
RUNNING TIME: 128 MINUTES

Yasmine Gold is one fine female specimen. Here she is looking all cute and sexy chewing her pink bubble gum and smiling at the camera. The petite blonde uses the large all day sucker on her pussy, making it all sweet and sticky. Or shall I say sweeter and stickier. Yasmine gets a thorough oral working over from her porn stud. Taking control, Yasmine gets on top and rides Bruno in a stunning cowgirl style screwing. Yasmine gets on all fours and points her ass at his cock for some doggystyle action.

Susana looks so hot in her little red panties that you will sprout a tent in your pants. The thin brunette sucks on her lolli and entices the lens with her oral work. Watching her give head is a treat, as she appears to really dig what she's doing. After some deep cowgirl, Susana

gets her pussy licked out and is rolled on to her side for some spooning sex. It's not long after this that Ram pops all over her pretty face and into her wide open mouth.

Liz Honey does her own version of the lollipop solo action and it's nice and hot! Liz keeps the ever present bubblegum in her mouth as she blows her man. Spreading herself wide open Liz is licked and sucked until she can't take any more oral pleasure. The fucking is pitched and furiously paced as they plow through cowgirl, reverse cowgirl and doggie style. Liz grabs a hold of his sticky pussy coated cock and jerks him off all over her face.

Lolita shows off her juicy jugs and shoves the sugary confection down her throat and all over her pussy slit. Her woodsman takes the lolli from her hands and uses it to fuck her twat. He cleans up the sticky mess with his flicking tongue and Lolita squirms in enjoyment. Lolita takes the pop up her butt and even has her asshole licked clean too. The sex is not as exciting as the foreplay but how could it compare to a young chick getting popped with a lollipop? Lolita takes a syrupy facial to bring the fun to a close.

Esmeralda has the final scene and she brings the house down. The lollipop is in constant use through the scene and even has a starring role in her cunt while she's fucking him. With the lollipop firmly in place in her cheek, Esmeralda has a big load popped into her mouth. The Eurowhore mixes the flavors in her mouth and swallows down the concoction with glee. —Lana

Kristi
drove our guys
crazy! She
wouldn't put
out in the
office or in
her shoot!

Some people will think I'm a bitch for saying this, but I think the other interns have been way too slutty. Like, they show everything and they even use toys and stuff; it's gross. See, I totally believe in that whole, "Don't give away the milk for free," thing. Yeah, I know, I'm old fashioned, but I think guys don't respect girls who put out before marriage. And the same goes for girls who do all that nasty stuff in magazines, too. So, when the photographer asked me to touch myself, I said, "No way!" He was pissed, but I was not going to spread for the camera. And I bet the all the guys who see my pics will totally respect that!

I don't know about respect, but I'm sure they dig all the stuff you are showing!

Anna

So, like, I am tired of being treated like a little girl! Yeah, I know I look like a virgin, but I've been doing it for months now. No shit! I started on my 18th birthday and I've been crazy for it ever since! I mean, I've already done four guys! My friends are totally clueless, they're all virgins, but they act like know-it-alls.

Like Angie, she let her boyfriend go to third base and she thinks she's all hot shit. But it hardly counts because he didn't even put his finger up her or anything. Man, the last time I did it I had three fingers shoved all the way up my cunt, and that was at the drive-in before the movie even started!

Such a sweet girl. Not! It's hard to believe, but this cutie is a total 'ho!

This is
one girl who can
truly say, "Been
there, done that!"
